

JESUS CELEBRATION
INTERNATIONAL GATHERING

Dear Delegate,

we are so happy to live the international gathering “Light up the world!” of *Jesus Celebration 2033* from 26 – 30th November together with you in Vilvoorde, Brussels.

When we unite as His body, we have His promise, His command that we will experience His life, resurrection life! As we experience His love and life we will celebrate our differences, find unity in diversity, honor Christ in the other, experience restoration and reconciliation. We call this lighting the fire!

As we get closer to the date we would like to give you some additional practical information:
